Services

## **INNOVATE • CREATE • ENGAGE**

**Youth Entrepreneurial Services exists to promote young people's creative skills and employment potential through innovation, creativity and engagement in career development.**

This innovative social enterprise assists young people to create, sell and market their products and services online and through pop-up stores and markets using uniquely designed retail modules. YES has a 'whole of community' focus where local businesses and community members partner to achieve the outcomes; giving young people real life exposure to employers, their local communities and beyond.

**YES is seeking expressions of interest from Business Hosts, Skills Specialists and Community Mentors who are interested in being involved in a creative partnership.**

- **Business Hosts:** host a work experience placement or a volunteer placement for the participant. One of the key outcomes is for YES participants is to have a clear employment pathway and to achieve employment, further education or certified training. Local businesses have an opportunity to provide a YES participant with real life exposure to employment by engaging in work placement experiences.
- **Skills Specialists:** share your expertise and knowledge, conduct workshops on skills and provide support to individual participants. Join a network of support to help a young person realise their potential.
- **Community Mentors:** support participants with both personal development and job seeking skills to help participants navigate their first jobs. Join a network of support to help young person realise their potential.
